

To Whom It May Concern:

Please forward the attached job posting to all your clients.

North Peace Communications is one of the leading communication companies in Northeast British Columbia, offering two way radio systems, repeaters, fiber optic technology, intrinsically safe radios, cell boosters, voice and data radios, microwave and high bandwidth satellite solutions. We are also located in the #1 location in North America for Oil and Gas exploration. Northeast BC has one of the largest shale gas deposits in the world. And we are situated right in the middle of this fast growing region!

We are expanding our company and are looking for qualified junior / senior technicians. We have work **immediately** and can offer a variety of jobs.

These dynamic positions are focused on the latest technology. Our services include Tower climbing, Building and Inspections. Applicants with High Angle Rescue and Fall Arrest Training would be an asset.

We also provide Fiber Optics splicing. Trouble shooting and Maintenance are also a part of our core service offering. Some of our work includes camps jobs (sometimes for a week at a time). Being able to be out of town is essential during our busy season.

A Class 5 drivers license is required ( in good standing). Our projects can involve a lot of travel in all weather conditions.

Our Goal - We are looking for a Senior Tech and a Junior Tech with some RF and tower climbing experience. Tower climbing is never done alone, Safety is a everyone's responsibility and we make it a priority!

We value and support our clients. Therefore it's important that our staff have great people skills.

If you know of anyone looking for a great career, interested in living in the north and in a community that is very affordable, then contact us at the numbers below and we can share more information.

If you have any questions, please do not hesitate to call me directly by phone at 250-782-6664, or by email at [ria@northpeacecom.ca](mailto:ria@northpeacecom.ca)

Thank you in advance for your assistance,

**Sincerely,**
