

North Peace Communications Ltd.

Iron-Clad, Unrivaled Guarantee

At North Peace Communication Ltd., we stand behind our products and services with our one-of-a-kind satisfaction guarantee. We want every North Peace Communications Ltd. customer to be satisfied for a very long time.

Our guarantee has several important elements.....

1) **We promise to work safely.**

- We are a safety leader in our industry. Our motto is "Safety is important and it does matter"!
- Our techs have a lot of northern training and experience for our tough, rugged and cold terrains.
- By working safely every day, we have your **best interests** in mind.

2) **We promise to utilize only high-quality equipment.**

- Our gear is rated for some of Canada's most unrelenting environments.
- With technology changing every day, our techs will offer the best solutions for your situation.
- Quality equipment for our customers, with our properly managed fleet, and experienced and trained techs, makes our customers smile. We like that!

3) **We promise the best performance.**

- We offer effective cost-saving service solutions. From signed and stamped tower drawings to testing and measurement reports.
You name it ... we can handle it!
- Our projects are completed on time, on budget, and clear year round.
- Quality quotes from start to finish -- we finish strong! We promise!

And that's not **all!**

Each and every product is backed by the manufacturer's warranty.

Our service warranty is 3 months.

That's 90 days on North Peace Communications Ltd. services.

We stand behind our workmanship for you!
